## OUR COMPREHENSIVE SERVICES

As a freight brokerage, Opus Transportation Services provides a wide range of transportation solutions tailored to meet your needs. Whether you require Full Truck Load (FTL) or Less Than Truck Load (LTL) services, our fleet of diverse trailers, including Refrigerated, Van, Flatbed, Car Carrier, and Specialized options, ensures your cargo is transported safely and efficiently.

## EXPEDITED SERVICES FOR URGENT SHIPMENTS

In today's fast-paced world, time is often of the essence. That's why Opus Transportation Services offers expedited services to ensure your time-sensitive shipments reach their destination promptly and reliably.

## STATE-OF-THE-ART COMMUNICATION TECHNOLOGY

At Opus Transportation Services, we understand the importance of seamless communication in the logistics industry. Our advanced communication technology enables easy onboarding for both customers and carriers. With end-to-end GPS visibility, you can track your freight's status and location in real-time, providing peace of mind throughout the shipping process.

## WHY CHOOSE OPUS TRANSPORTATION SERVICES AS YOUR FREIGHT BROKERAGE?

**Family-Owned and Women-Led:** Experience our personalized touch and dedication!

**Comprehensive Solutions:** From FTL to LTL and specialized trailers, we offer a full suite of transportation services to meet your needs.

**Expedited Shipping:** Need it there fast? Our expedited services ensure your urgent shipments arrive on time, every time.

**Cutting-Edge Technology:** Stay ahead of the curve with our state-of-the-art communication technology, simplifying the shipping process for our clients.
